

The Ashe Center Patient Portal

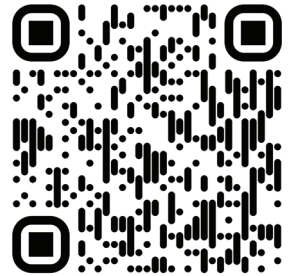

24/7 ACCESS TO YOUR STUDENT HEALTH RECORD

The Ashe Center Patient Portal is the digital home for your personal, private medical information. Log in to the Patient Portal at any time to access your records, communicate with your primary care provider, schedule visits, and much more.

www.studenthealth.ucla.edu/portal

Most lab results are available on the Portal within 3 business days. Your provider will only contact you if your results are sensitive, clinically significant, or require further testing.
